Top plate

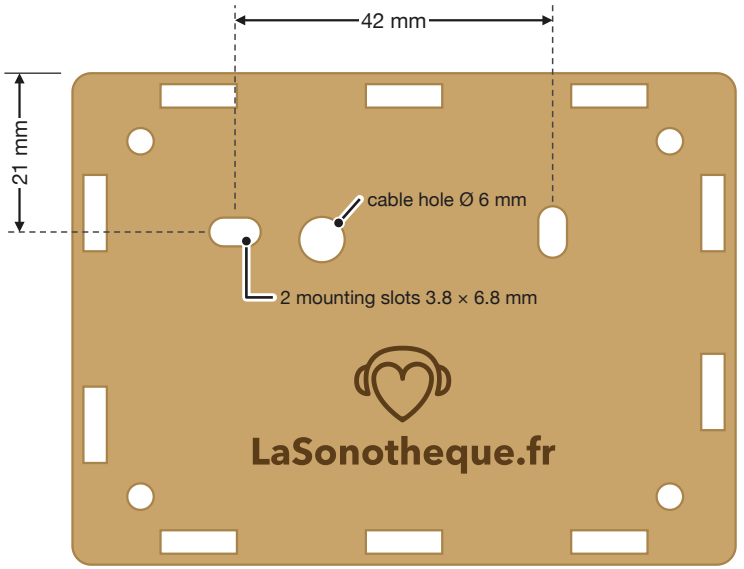

3 mm MDF

The plate overhangs the sides by 1.5 mm:
the slots stay closed and hold the sides.

Bottom plate

seen from below, engraved side

Same holes and slots as the top, mirrored;
the logo is engraved on this face, the underside.

Nut foot

3D-printed, 4 mm high,
M3 nut hidden inside;
print 4 of them

For one enclosure

2 plates and 4 sides, 3 mm MDF (2 sheets)
1 under-button Ø 15, 5 mm plywood (open kit)
4 nut feet + 4 M3 nuts
4 M3 standoffs, 4 mm, male-female
4 M3 standoffs, 18 mm, male-female
4 M3 × 6 mm screws (top only)

Print at 100%: actual size
